ONLY AT OCS

- NO VIRUSES
- NO SPAM
- NO PORN

ALL FOR FREE

VIRUSES. A customer from another local service told us how the KLEZ VIRUS is creating havoc throughout their system. But not at OCS – our central anti-virus system has stopped nearly 130,000 viruses from reaching our subscribers. When days or more can be lost trying to repair the damage caused by viruses, not to mention trying to manage ongoing defenses, imagine the value to local businesses and families in time savings alone! It's exclusive, and free, at OCS.

SPAM filtering was activated in June, and the results have been fantastic. One subscriber wrote "bless you!", another "email is fun again!" We're not claiming to stop all spam, since everyone has a different view of what is considered junk mail. But most of the obvious stuff is indeed being blocked, at a pace currently exceeding 3,000 spam messages per day. This is also free, and exclusive, at OCS.

PORN. Ever popped into a website by mistake that was, well, not what you expected? How about around the office, or your kids maybe "home alone?" Only OCS provides website CONTENT FILTERING, free and exclusive.

To activate any of these features, just click USER ADMIN on our home page main menu, enter your login name and password, and enjoy ... yes, the Internet can indeed be safe, and even fun again!

WHAT DOES THIS MEAN?

Website Security

Any time you enter a section on one of our websites, or those we host, or elsewhere on the Internet ... if security is important, such as when managing your customer information via USER ADMIN, or visiting one of the businesses in THEMALL.PORTERVILLE.COM, or referring a friend or colleague to our online subscription form – look for the "security lock" that identifies the site as secure. This means that the site is really who they claim to be, and that any data exchanged between your computer and that site will be encrypted as it travels over the Internet.

Call us for information about the community's original high-speed **Wireless Internet Service!**

The OCS Referral Program

*If you refer a friend or business colleague to OCS, tell them to mention your name and you'll receive up to a month of free service! Some restrictions apply, click **Referrals** on our home page for details. Click **Subscribe** to sign up online!*

OCS was very pleased to assist with the Porterville Chamber of Commerce Building Fund. As a premium sponsor, OCS equipped the beautiful new building on Main Street with full network and high-speed wireless Internet services.
