A Wealth of Learning Resources!

Thousands of educational activities on ABCmouse.com make learning fun and exciting for students, teachers, and parents.

Every concept of the ABCmouse.com curriculum—whether it is the sound of a letter, the sequence of counting 1–5, or the seasons of the year—is explained in child-friendly language in one of our hundreds of library books.

Books

The variety of music on ABCmouse.com serves not only to reinforce the other curriculum subjects but also to introduce children to a range of musical styles and themes. Children will love to sing along to our original and classic songs!

Music and Songs

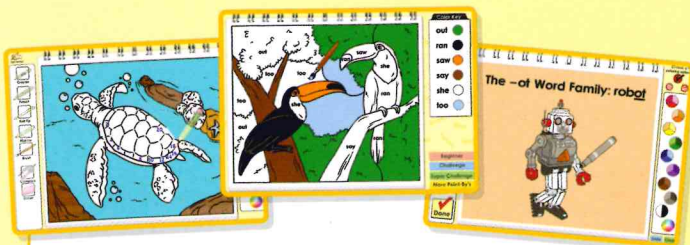

ABCMouse.com includes hundreds of games and interactive learning activities, each designed to be fun and educational at the same time. Since all of the games on the site include voiced instructions, they are easy for young children to learn and play.

Games

ABCMouse.com's curriculum includes hundreds of jigsaw and cutout puzzles that help children learn and remember important ideas and skills in reading, math, science, art, social studies, and music. Children will remain engaged while developing essential fine motor and spatial sense skills.

Puzzles

With many different types of art activities—including coloring pages, dot-to-dots, paint-by-numbers, and traceables—ABCMouse.com helps children learn reading, math, and other subjects while they are expressing themselves artistically.

Art Activities

The ABCmouse.com Interactive Zoo allows children to interact with realistic zoo animals, including elephants, lions, monkeys, zebras, penguins, and more! Learn facts about each animal and read books, play games, and do puzzles and art activities for each one!
