

COUNCIL AGENDA: JANUARY 21, 2014

SUBJECT: AWARD OF CONTRACT - INDIANA STREET SHOULDER STABILIZATION

SOURCE: Public Works Department - Engineering Division

COMMENT: On December 18, 2013, staff received six (6) bids for the Indiana Street Shoulder Stabilization Project. The proposed project consists of the installation of curb and gutter, sidewalk, driveways, asphalt concrete paving, and other appurtenant construction along Indiana Street between Roby Avenue and Union Avenue.

The bids are as follows:

	<u>Contractor</u>	<u>Amount</u>
1.	Bush Engineering Hanford, CA	\$274,238
2.	Don Berry Construction Selma, CA	\$299,344
3.	MAC General Engineering Porterville, CA	\$300,237
4.	Seal Rite Paving & Grading Fresno, CA	\$315,853
5.	Bowman Asphalt Bakersfield, CA	\$353,064
6.	Dawson-Mauldin Construction Selma, CA	\$357,452

The Estimate of Probable Cost for construction is \$264,945.00. The low bid is 3.5% over the estimate. An additional \$27,423.80 is necessary for the construction contingency (10%) and it is anticipated that an additional \$15,000 (5.47%) is needed for construction management, quality control, and inspection services for a total estimated project cost of \$316,661.80.

Dir BZ Appropriated/Funded MB CM J

Item No. 4

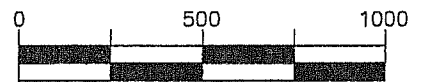

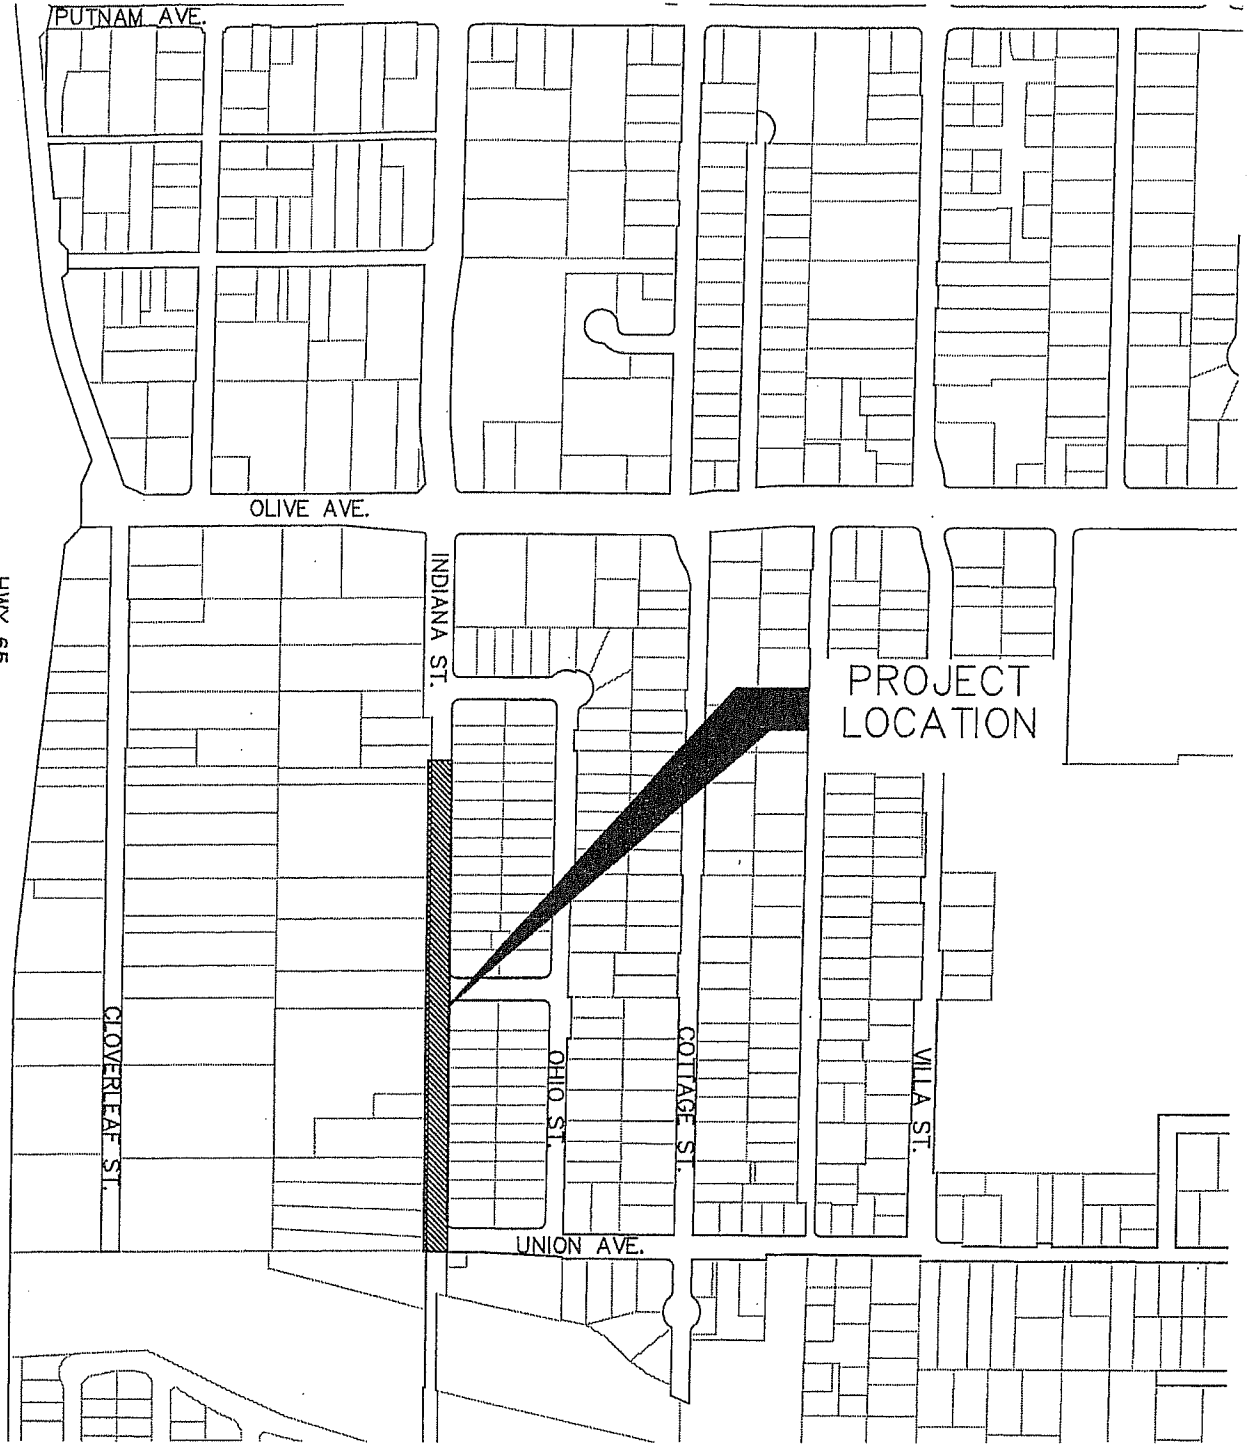

Funding for the project is from CMAQ grant funding in the amount of \$224,000, Measure R Alternative Transportation Fund in the amount of \$40,700, and Local Transportation Fund (LTF) in the amount of \$35,583.20 as included in the 2013/2014 Annual Budget and appropriated by Council on November 19, 2013. A shortfall of \$16,442.80 exists and staff is requesting an appropriation in the amount of \$16,442.80 from unallocated Local Transportation Funds to fully fund the project.

At staff's request, TCAG is reviewing current funding commitments throughout the County to see if additional federal funds (\$33,760) can be made available on the project. As of this report, TCAG has not responded to staff's request for the additional federal funds.

RECOMMENDATION: That City Council direct staff to:

1. Award the Indiana Street Shoulder Stabilization Project to Bush Engineering in the amount of \$274,238.00;
2. Authorize a 10% contingency to cover unforeseen construction costs;
3. Authorize 5.47% for construction management, quality control and inspection; and
4. Authorize staff to appropriate \$16,442.80 from unallocated Local Transportation Funds to complete funding of this project.
