PUBLIC HEARING

TITLE: MEDICAL CANNABIS CULTIVATION PERMIT FORMS AND FEES

SOURCE: CITY ATTORNEY/COMMUNITY DEVELOPMENT DEPARTMENT

COMMENT: On October 7, 2014, the City Council gave second reading to the draft ordinance concerning medical cannabis cultivation. The ordinance will go into effect on November 6, 2014. Implementation of the ordinance requires adoption of application forms and fees, as described in subsection J- Cultivation Permit. The ordinance is included for reference as Attachment 1.

Prior to commencing any medical cannabis cultivation, a permit must be obtained from the Community Development Director or assigned designee. Subsection J of the ordinance outlines the contents of the application, and staff has prepared an application form for use by applicants (Attachment 2). Consistent with ordinance requirements, the permit requires information regarding the property owner, the qualified patient, and all adult occupants of the residence. Further, the application requires submittal of a copy of the current valid medical recommendation or county issued medical marijuana card; a signed consent form for inspection of the cultivation area without notice; proof that the applicant and any resident has had no drug related felony convictions within the past seven years; and an indemnification agreement, which is a standard form appended to all City applications.

At time of submittal of a medical cannabis cultivation permit application, fees are due that offset costs associated with review, processing, and inspection of the permit and permitted site. Adoption of the three distinct fees proposed would allow staff to process an application at a fixed rate, accommodate households with more than one adult where additional background checks are required, and charge a reinspection fee where the scheduled site visit required corrective actions. The application fees were calculated with input from the Police Department, Community Development Department, and the City Attorney's Office. The proposed fees do not include costs involved with evaluation of building permits that may be associated with a proposed cultivation area. Building permit fees are adopted under separate resolution and are independent of the Medical Cannabis Cultivation Permit.

The permit fees include an application fee of \$700, plus \$38 per additional adult in the household, and a \$50 re-inspection fee. Permit fees would be paid with each permit renewal, which is to be every two years. The costs associated with those fees are as follows:

Application fee: \$700

The application fee is a flat fee, payable with each permit and/or permit renewal,

DD B Appropriated/Funded CM CM

Item No. 8

and is comprised of the following costs:

- Staff time to review the permit application, in context of the permit holder, the cultivation area, and the surrounding uses: \$79/hour * 3 hours = \$237
- City Attorney time to review the permit application: \$150/hour * 2 hours = \$300
- Cost for Porterville Police Department to complete background check through the Department of Justice for permit holder: \$40
- Staff time to review background check: \$38/hour * 1 hour = \$38
- Staff time to conduct initial and intermittent site inspections: \$38/hour * 3 hours = \$114

The total cost is actually \$729, but has been rounded down in the initial proposal.

Fee to review background check for each additional adult in the household: \$38

All adult members of the household are required to complete a background check in order to prove, per subsection J (1) g, that "the applicant and any resident has had not drug related felony convictions within the past seven (7) years." The permit holder may select to obtain secondary proof of no drug related felony convictions within the last seven years, but the fee for completion of the background check is included in the application fee. For other adult members of the household, the \$38 cost of staff's review of the background check is required. The \$40 cost of the background check as initiated by the Porterville Police Department may be paid directly to the Police Department for a total cost of \$78; alternatively, the other adult members of the household may choose to obtain the background check through different means.

Re-inspection fee: \$50

A re-inspection fee, in the event that cultivation is not taking place as described in the permit, is \$50 per inspection. Note that pursuant to Section J (4) of the Medical Cannabis Cultivation Ordinance, failure to comply with requirements twice within a permitting period constitutes grounds for permit revocation and serves as a basis for denial of any new application or extension.

ENVIRONMENTAL: The Environmental Coordinator made a determination that approving the fees and forms required to implement the ordinance ("project") is not subject to the California Environmental Quality Act pursuant to §15060(c)(2) of the California Code of Regulations.

RECOMMENDATION: That the City Council:

- 1. Approve the proposed application for Medical Cannabis Cultivation Permit; and
- 2. Adopt the draft resolution establishing fees associated with processing and administering a Medical Cannabis Cultivation Permit.

ORDINANCE NO. 1817

AN ORDINANCE OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE AMENDING ARTICLE I, SECTION 15-5.1 OF THE PORTERVILLE MUNICIPAL CODE, CONCERNING REFUSAL TO ISSUE LICENSES, REPEALING ARTICLE VII, SECTIONS 15-85 THROUGH 15-105, OF CHAPTER 15, AND ADDING SECTION 301.23 OF THE PORTERVILLE MUNICIPAL CODE, CONCERNING MEDICAL MARIJUANA CULTIVATION

WHEREAS, in November 2007, and in response to the implementation by the State of the Compassionate Use Act of 1996, the Medical Marijuana Program Act (2003) and subsequent case law, the City Council of the City of Porterville adopted Ordinance No. 1734, which amended the City's regulations concerning medical marijuana dispensaries, prohibiting the issuance of business licenses for the purpose of operating medical marijuana dispensaries, but allowing for their regulation in the event federal law changed; and

WHEREAS, the City Council of the City of Porterville, based on recent and ongoing problems related to the local cultivation of medical cannabis, hereby finds that the cultivation, preparation and distribution of medical cannabis in the city has caused and is causing ongoing impacts to the community. These impacts are intensified by the activities of those who are abusing the current State statutory provisions for the cultivation, processing and distribution of cannabis for nonmedical, improper and illegal purposes. These impacts include increased crime related to outdoor cultivation occurring on residential lots, damage to buildings containing indoor grows, increases in home invasion robberies and related crimes, and increases in response costs, including code enforcement, building, land use, fire, and police staff time and expenses; and

WHEREAS, the City finds that it is in the best interest of the community to regulate the use of land within the city limits for the purposes of collectively cultivating, preparing, or dispensing medical cannabis, and to continue to deny business licenses to applicants desiring to open a medical marijuana dispensary within city limits; and

WHEREAS, legislation and case law confirms that the City has the power to regulate individual cultivation and restrict and even prohibit dispensing of medical cannabis, as well as regulate the collective cultivation and preparation of medical cannabis.

NOW, THEREFORE, THE CITY COUNCIL OF THE CITY OF PORTERVILLE DOES HEREBY ORDAIN as follows:

SECTION 1. The Porterville Municipal Code, Chapter 15, Article I, Section 15-5.1 is hereby amended as follows:

B. The City Council shall refuse to issue a business license to any applicant where it is apparent that the issuance of such license would allow for the practice, operation or carrying out of any activity that conflicts with any local, state or federal law.

SECTION 4. Section 301.23 is hereby added to Article 21 (Porterville Development Ordinance) as follows:

A. Purpose and Intent

- 1. The City Council of the City of Porterville, based on evidence presented to it in the proceedings leading to the adoption of this chapter, hereby finds that the cultivation, preparation, and distribution of medical cannabis in the city has caused and is causing ongoing impacts to the community. These impacts are intensified by the activities of those who are abusing the current State statutory provisions for the cultivation, processing and distribution of cannabis for nonmedical, improper and illegal purposes. These impacts include increases in various types of crime due to outdoor grows, damage to buildings containing indoor grows, including improper and dangerous electrical alterations and use, inadequate ventilation leading to mold and mildew, increased frequency of home-invasion robberies and related crimes. Many of these impacts have fallen disproportionately on residential neighborhoods, but nonetheless also negatively impact properties in the commercial districts. These impacts have also created an increase in response costs, including code enforcement, building, land use, fire, and police staff time and expenses.
- 2. The City Council also acknowledges that the voters of the State of California have provided a criminal defense to the cultivation, possession and use of medical cannabis for medical purposes under the Compassionate Use Act, but that the Compassionate Use Act does not address land use or building code impacts or issues arising from the resulting increase in cannabis cultivation within the city.
- 3. The purpose and intent of this chapter is to regulate the cultivation, preparation and distribution of medical cannabis in a manner that protects the public health, safety, and welfare of the community and mitigates for the cost to the community of the oversight of these activities.

B. Interpretation and Applicability

- No part of this chapter shall be deemed to conflict with federal law as contained in the Controlled Substances Act, 21 U.S.C. Section 800 et seq., nor to otherwise permit any activity that is prohibited under that Act or any other local, state, federal law, statute, rule or regulation. The cultivation, preparation, and distribution of medical cannabis in the city is controlled by the provisions of this chapter of the Porterville Development Ordinance.
- 2. Nothing in this chapter is intended to, nor shall it be construed to, preclude a landlord from limiting or prohibiting cannabis cultivation, smoking or other related activities by tenants.
- 3. Nothing in this chapter is intended to, nor shall it be construed to, burden any defense to criminal prosecution otherwise afforded by California law.

- 4. Nothing in this chapter is intended to, nor shall it be construed to, exempt any cannabis related activity from any and all applicable local and state construction, electrical, plumbing, land use, or any other building or land use standards or permitting requirements.
- 5. Nothing in this chapter is intended to, nor shall it be construed to, make legal any cultivation, transportation, sale or other use of cannabis that is otherwise prohibited under California law.
- 6. All cultivation, preparation and distribution of medical cannabis within city limits shall be subject to the provisions of this chapter and other applicable provisions of this Code, regardless of whether cultivation, preparation, or distribution existed or occurred prior to adoption of this chapter.

A RESOLUTION OF THE CITY COUNCIL OF THE CITY OF PORTERVILLE ADOPTING A FEE FOR PROCESSING AND ADMINISTERING A MEDICAL CANNABIS CULTIVATION PERMIT

WHEREAS, on October 7, 2014, the City Council of the City of Porterville gave second reading to the draft ordinance concerning medical cannabis cultivation. Implementation of the ordinance requires adoption of application forms and fees, as described in subsection J- Cultivation Permit; and

WHEREAS, Section 301.23 of the Porterville Development Ordinance is pending codification and sets forth a process by which residents of Porterville may cultivate medical cannabis with a physician's recommendation and subject to certain requirements, including a Medical Cannabis Cultivation Permit; and

WHEREAS, based on the information that must be considered in order to duly process such a cultivation permit, the City Council has defined a fee based primarily on hourly cost for staff time, as follows:

Application fee: \$700

The application fee is a flat fee, payable with each permit and/or permit renewal, and is comprised of the following costs:

- Staff time to review the permit application, in context of the permit holder, the cultivation area, and the surrounding uses: \$79/hour * 3 hours = \$237
- City attorney time to review the permit application: \$150/hour * 2 hours = \$300
- Cost for Porterville Police Department to complete background check through the Department of Justice for permit holder: \$40
- Staff time to review background check: \$38/hour * 1 hour = \$38
- Staff time to conduct initial and intermittent site inspections: \$38/hour * 3 hours = \$114

The total cost is actually \$729, but has been rounded down in the initial proposal.

Fee to review background check for each additional adult in the household: \$38

All adult members of the household are required to complete a background check in order to prove, per subsection J (1) g, that "the applicant and any resident has had not drug related felony convictions within the past seven (7) years." The permit holder may select to obtain secondary proof of no drug related felony convictions within the last seven years, but the fee for completion of the background check is included in the application fee. For other adult members of the household, the \$38 cost of staff's review of the background check is required. The \$40 cost of the background check as initiated by the Porterville Police Department may be paid directly to the Police Department for a total cost of \$78; alternatively, the other adult members of the household may choose to obtain the background check through different means.

ATTACHMENT ITEM NO. 3

Re-inspection fee: \$50

A re-inspection fee, in the event that cultivation is not taking place as described in the permit, is \$50 per inspection. Pursuant to Section J (4) of the Medical Cannabis Cultivation Ordinance, failure to comply with requirements twice within a permitting period constitutes grounds for permit revocation and serves as a basis for denial of any new application or extension.

And;

WHEREAS, on October 21, 2014, the City Council reviewed the Medical Cannabis Cultivation Permit fee and determined that fees of \$700, \$38, and \$50, respectively, are justifiable given the amount of effort put forth to provide the services.

NOW, THEREFORE, BE IT RESOLVED by the Council of the City of Porterville that the fee for application for a Medical Cannabis Cultivation Permit as required by Section 301.23 of the Porterville Development Ordinance is adopted as follows: application fee of \$700, \$38 per additional adult in the household, and a \$50 re-inspection fee.

PASSED, APPROVED AND ADOPTED this 21st day of October, 2014.
