

COUNCIL AGENDA: JANUARY 20, 2015

SUBJECT: AUTHORIZATION TO ADVERTISE FOR BIDS – WASHER/
COMPACTOR PROJECT

SOURCE: Public Works Department - Engineering Division

COMMENT: Plans and specifications have been prepared by Carollo Engineers for the installation of the washer/compactor at the Wastewater Treatment Facility head works. The new washer/compactor will be installed alongside and will complement the muffin monster. The muffin monster and the new washer/compactor working in tandem will remove, wash and compact rags, plastic and other objectionable materials from the waste stream. The plans and specifications are available in the Pete V. McCracken Room. The Engineer's Estimate of Probable Cost is \$194,589. Funds for the project are available in the Wastewater Treatment Facility Capital Reserve account and was approved in the 2014/2015 Annual Budget.

RECOMMENDATION: That the City Council:

1. Approve the plans and project manual; and
2. Authorize staff to advertise for bids on the project.
